

## FACE AND FILTER

Maybe you suffer – cause you missed the sale  
Your hair needs a new cut – and so does your brain  
Your boobs are not real your man pays the bill  
You're playin' his bunny you're stuck on the pills

Waste money from mummy you're looking so cute  
Shameless you are – abject your attitude  
Keep movin your hips and get out of your dress  
For money and headlines you show us your chest

Babies and ladies I don't like your style  
You're wasting your money – you're wasting your time  
Your triumph still remains to be seen  
- do you know what I mean? - do you know what I mean?

Maybe you suffer – maybe I care  
Maybe you suffer - maybe I care

I'm crawlin back - to protect you  
You are wack you're so untrue  
Crawlin back to release you  
Leave your old life and break-through  
Crawlin' back, crawlin' back - I will fade to black – crawlin' back  
I'm here to protect you

Ladies I'm sorry for lookin' at you,  
my style is not cute and my shoes are not new  
my mates are in bands n'the stage is my home  
Keep movin' my hips to track in the tone

Babies and ladies I don't like your style  
You're wasting your money – you're wasting your time  
Your triumph still remains to be seen

- do you know what I mean? - do you know what I mean?

Maybe you suffer – maybe I care  
Maybe you suffer - maybe I care

I'm crawlin' back - to protect you  
You are wack you're so untrue  
Crawlin' back to release you  
Leave your old life and break-through  
Crawlin' back, crawlin' back - I will fade to black – crawlin' back  
I'm here to protect you

Crawlin' back, crawlin' back - I will fade to black – crawlin' back  
I'm here to protect you
